Leadership Programmes 2020

The Wessex Group of Sixth Form Colleges is committed to developing its staff to become leaders. Building on over 15 years of success in leadership programmes for Future, Middle and Senior Managers, the Wessex Group is once again offering a full programme of leadership development activities for 2020. Feedback from last year was, once again, very strong and we remain committed to offering high quality, useful and inspiring programmes for all leadership levels.

Our residential programmes for Middle and Senior Managers are run as 3 separate residential sessions each of 2 days duration - 6 days in total. Our Future Managers' programme is non-residential and is accredited, leading to the ILM Level 5 Certificate in Leadership and Management.

- **Future Managers** – an accredited programme for newly or very new managers who are planning a career in college leadership and are taking first steps.
- **Middle Managers** – development for current middle managers, from those new in post to managers with some experience.
- **Senior Managers** – a leadership programme for senior managers who may be new in post and/or planning a further career move within sixth form college leadership.

IMPORTANT NOTE ABOUT ELIGIBILITY - The Leadership programmes for Future, Middle and Senior Managers are open to ALL staff in the Wessex Group (including teaching, non-teaching and support staff), provided that they meet the general and specific course requirements.

ENTRY CRITERIA

The Wessex Group's Leadership Programmes are prestigious and highly valued by those that have taken part in past training. It is expected that applications to take part in the programmes will be from staff who:

- have demonstrated commitment to their personal and career development
- are interested in furthering their career in colleges
- have been **recommended** for leadership development by managers who recognise their potential
- are interested in improving the impact that they have on the success of their college
- are committed to the completion of any required course work and assignments
- are committed to attending **all modules** of their programme. Unfortunately, those unable to attend the first sessions will forfeit their places on the rest of the programme as well as the fee if their place cannot be filled.

Colleges will be expected to support delegates by ensuring that they are up to date on current college policies and strategy; that they have access to materials required throughout the programmes and that they are able to attend each module.

The Programmes

Future Managers

This programme has been running for 12 years. It is aimed at new or aspiring first line managers who may be working in a curriculum or business, learning or support area. The course began as a Wessex/LSIS (Learning and Skills Improvement Service) pilot and has been developed to equip staff with the confidence, self awareness and knowledge to **move into** leadership positions eg Head of Department/Subject, Business Manager or Manager/Team Leader of another aspect of support services.

The programme consists of three x 2-day modules focusing on:

- Self management and leadership
- Leading others
- Leading within my organisation and the sector

There is an opportunity for this accredited training to lead to a level 5 Certificate with the Institute for Leadership and Management (ILM) and there will be a requirement for project work and assignments to be completed between and after modules. Action Learning Sets run throughout the programme and allow course participants to build a strong, supportive peer network whilst working through the course content in practical scenarios. Delegates also have the opportunity to take part in a leadership survey leading to a detailed report on their preferred styles and leadership behaviours.

Who should apply? Those applying to the course are likely to be new managers or people with the potential to progress to a leadership role in the near future, in both teaching and non-teaching areas of the college. Candidates are likely to have had little or no formal leadership and management development.

Middle Managers

This highly successful leadership development programme for Middle Managers aims to provide participants with an understanding of leadership qualities, skills and behaviours as well as to provide opportunities for developing and practising skills for key roles and tasks.

The programme provides six cohesive training days (in blocks of 2 days each) led by professional facilitators/trainers. There will be opportunities to work on real issues and concerns, allowing delegates to draw on the programme content in an environment supported by experts. Each delegate will have a written report and 1:1 coaching/feedback from a 360° survey conducted in advance of the course. Further diagnostic surveys are included and the results explained in a supportive setting. Opportunities for short term placements in other partnership colleges can also be arranged.

- Personal Leadership Development (2 sessions)
- Strategy and Vision
- Managing Change – institutionalising new approaches and building capacity
- Leading the team and managing performance
- Review, reflection and forward planning for personal development

Each successful candidate will be allocated a mentor who will preferably not be a line manager and will be a senior post-holder. It is expected that participants will interact with mentors around 3-4 times during the year.

A series of master classes led by Principals forms part of the programme for *senior* managers and these are often made available to those on the Middle Manager programme also. If so, details of these will be available to delegates once the programme is underway.

Who should apply? Newly appointed and existing middle managers with the potential for further leadership responsibilities in Wessex Group Sixth Form Colleges. This might include:

- Non-teaching staff with a managerial role in planning, service development and other support areas
- Heads of curriculum departments
- Managers of tutorial provision
- Staff on levels 1-4 of the management spine
- Staff with a role in improving quality in sixth form colleges by managing the delivery of key components of provision

Wednesday and Thursday, 10th and 11th June 2020 (RESIDENTIAL)

Senior Managers

This Leadership Programme has been tailored to the needs of senior managers within the Wessex Group since 2008. Working with national training providers, as well as the skills and experience of existing senior managers, this course consists of 6 days of professionally facilitated training (in blocks of 2 days each). Each delegate will have a written report and 1:1 coaching/feedback from a 360° survey conducted in advance of the course. Opportunities for short term placements in other partnership colleges can also be arranged.

Programme content will cover:

- Personal Leadership Development (2 days)
- Understanding and developing strategy and vision
- Leading organisations and managing change
- Leading People

There will be some reading and project work between the course sessions and in the time between the linked training days there will be the opportunity to work on real issues and concerns, drawing on the lessons from the training within a supported environment. Principal mentors will be allocated to all those on the Senior Managers' Programme. Preparation will be needed in advance of the first session and instructions will be provided to those successful in securing a place on the programme.

Potential candidates need to be aware that some of the content of this programme is similar to that on the Middle Managers' Programme. However, the course has been designed to ensure that learning is relevant to leading in a *senior* role.

A series of master classes led by Principals also forms part of the programme and details of these will be available to delegates once the programme is underway.

Who should apply? Existing, new and aspiring senior managers who are operating at the level of or are in regular contact with Senior Management Teams. Candidates' applications will have been endorsed by their Principal and are likely to be from:

- Assistant and Vice Principals
- Senior Support Staff with a strategic role
- Heads of Faculty with a role in college strategy development

Course Fees

The costs of all programmes run by the Wessex Group are shared between those taking part. Without complete information about training and venue costs and candidate numbers at the time of advertising each programme, the final fees cannot be determined. We therefore ask for **an advance payment once delegate lists have been confirmed** and this may be adjusted upon the completion of the course. However, our estimates have tended to be accurate over the years.

We have tried to reduce costs as much as possible and have negotiated hard with trainers, venues and other providers. We have also augmented the course each year, with more wrap-around content, diagnostic assessments and, in some cases, new content. All fees are based on cohorts of 14-16 delegates depending on the course, and are subject to small changes as agreed by the Wessex Group Executive for Leadership Programmes. Estimates are as follows:

Course	Advance payment ¹
Leadership Programme for Future Managers	£1,660
Leadership Programme for Middle Managers	£1,660
Leadership Programme for Senior Managers	£1,660

How to apply

Following discussion with your Staff Development Officer, line managers and senior managers, an application should be submitted electronically by your staff development officer via the Wessex Group website no later than Wednesday, 6th November 2019. Enquiries about course content and delegate eligibility should be directed to the Programme Lead, Liz Winn lizwinnwx@gmail.com. All other enquiries should go to the Wessex Group Co-ordinator, Gillian Cross gillian@wessexsfc.ac.uk

To book:

Go to the Wessex Group bookings page at: <https://wessexsfc.ac.uk/courses/> and search for Future, Middle or Senior, checking that you book on the 2020 programmes.

Closing date: Wednesday, 6th November 2019

Be early!

Please book as soon as possible, preferably well in advance of the closing date. We need to ensure that we have enough people to run each course, so that we can organise suitable venues in good time, and set in train the pre-course preparation. Once the delegate lists are agreed, the commitment to payment is finalised, required and non-refundable.

In the event of oversubscription for courses, arrangements have to be made to decide how places will be allocated (via the Wessex Group Executive Group for Leadership Programmes). Booking is not a guarantee of a place. This will be confirmed soon after the closing date.

¹ Paid following invoice which will be sent after programmes have been confirmed and delegate lists finalised.
